

DURABLE + COMPLIANT TRAFFIC CONTROL: Stable, Stackable, and Highly Visible

Rugged and easily storable cones offering safety day or night.

- Injection molded from durable PVC in fade resistant fluorescent orange.
- Rugged base provides excellent stability and anti-skid performance, reducing the likelihood of unwanted movement.
- Stem can accommodate stenciled on company logos.
- PVC Cone will nest with other commonly available cones.
- Compatible with Retractable Cone Bar.
- 4" and 6" reflective collars for MUTCD compliant nighttime use.
- Ergonomic groove allows for easy handling of the PVC Cone.
