

TrafFix **Tri-Buster Tripod Sign Stand**

The *Tri-Buster Tripod Sign Stand* is the ideal combination of durability, economy, safety, and versatility. Perfect for the needs of many contractors, municipalities and utility companies.

- Constructed of corrosion resistant heavy duty galvanized tubing for long life at an economical price.
- NCHRP 350 approved with 48" x 48" or smaller; plywood, aluminum, aluminum poly laminate, plastic, and roll-up sign materials.
- Three leg design is very stable in windy conditions. Ballasting hook allows sand bags or weights to be hung from sign stand for added stability.
- A built-in 3-flag holder secures 2 or 3 standard 3/4" wood dowel flags above the sign.
- Safety engineered with guards to protect fingers from dangerous "pinch points."
- Optional Roll-Up Sign Bracket (93000-RUB) and Leg Extending Leveling Kit (93000-EXT) may be ordered to enhance Tri-Buster's performance.
- Compact design allows Tri-Buster to be folded so that it stores in minimal space.
